

## Tank-Mix Compatibilities

Please note that the following tank mixes have been tested for physical compatibility with **XERTON** at recommended rates of use and will mix in the sprayer tank. Physical compatibilities may not be approved tank mixes. These tests have not been undertaken to check for any adverse crop phytotoxicity or for the biological efficacy of the individual products when applied as a tank-mix. UPL Europe Ltd (UPL) accepts no liability for physical compatibilities; therefore use is at grower's own risk.
